a xylem brand

33799-0000 'HANDY BOY'

34060-0010 'LITTLE PAL'

JABSCO hand pumps pump more liquid with less effort! They never need coaxing or priming and give full suction on the first stroke. Pumps can be used in any position.

Uses include bilge pumping, oil draining, diesel fuel transfer, and many other liquid transfer applications. *NOTE: Oil temperature should not exceed 60°C.*

Long life brass cylinders, high quality oil resistant plungers, intake and discharge caps are used. Hoses included with all models.

SPECIFICATIONS

Model	Output	Strokes Per litre	Cylinder Dia	Stroke Length	Overall Length	Hose Connections	Hose Supplied	Weight
